Please continue to adhere to the following recommendations:

- If you do go out in public, follow the recommendations regarding social distancing, ensuring you maintain a six foot distance from others, avoid large gatherings, and consider wearing a home-made mask in public to help protect others.
- Practice good handwashing habits with soap and water for at least 20 seconds or with an alcohol-based hand sanitizer if soap and water is not available.
- Know the signs and symptoms of COVID-19 and stay home when you're sick unless seeking medical care, then please CALL your provider's facility before you go to discuss your concerns and help them plan the best way to address your needs.

The Morton County Health Department has worked closely with numerous community partners, including Morton County Government, Morton County Emergency Management, Morton County Hospital, Morton County Senior Living Center, The City of Elkhart, regional partners and other state and local leaderships.
